On-the-Spot Recognition Program at PSV

recognizes associates on an impromptu basis for special effort, excellent job performance, or for making a positive impact on the life of someone at PSV.

Who can nominate a PSV clinician or staff member? Anyone can submit this recognition for excellence—clinical and administrative staff, patients and visitors, managers, and supervisors.

How do I recognize the individual? Simply complete Part 1 of this card and hand the entire card to the person you would like to recognize, our front desk staff or one of our managers.

What do I do if I am recognized? Hand the entire card to your supervisor to complete. You will be entered to win a prize. Every three months, all of the Recognition Drawing Cards will be collected and one will be chosen at random to receive a prize.

There is no limit to the number of nomination cards any one associate can receive in three months, or throughout the year.
